

Dear Friends and Family,

Timmy was a man of many talents; cooking (some may remember his contributions to St. Michael's Breakfasts), tinkering, music (he could play any song on the piano by ear), and art. But his sincerest passion was sports; harkening back to his days as a high school and college football player. When he could no longer play, he volunteered many hours to coaching Little League. He shaped young players in the game, but also in life lessons.

When considering how I could create a lasting Legacy for Timmy, I was drawn to the concept of establishing an endowment through the Catholic Community Foundation, which would honor his memory in perpetuity. I have followed my instincts and created the **Timothy and Barbara Riley Endowment** to support the Athletic Department at St. Michael, Poplar Springs Catholic Church in Mt. Airy, Maryland.

St. Michael's was Timmy's parish since 1994 and he was a part of the life and mission of the community. The parish currently has an active sports program for all ages, using the gym as the center of activity. The parish has a solid basketball program and provides league play and camps enjoyed by many kids. A vision is planned for the parish to build two ball fields (baseball and soccer) and erect an outdoor pavilion for events. The Athletic Department will need funds, ongoing, to maintain and improve the complex. The distribution from this Endowment would specifically and purposefully help with those expenses! Timmy would want the children to have a safe place to build their character, athletic abilities and spirituality through organized sports.

My initial goal for this fund is \$25,000 which would provide a significant distribution to this cause, in perpetuity. I hope you will agree it is a meaningful way to leverage a memorial gift for Timmy. I know it will bring joy to youth through sports, which would make Timmy very happy.

Thank you for your consideration and God Bless,

Barbara Riley

A note from one of Timmy's Little Leaguer's:

Tim was a coach on the 1972 Wheaton Boys Club Dolphins. He helped coach our team to an undefeated season that finished with winning the Marriott Super Bowl. Many of the players on that team went on to win a JV Championship for Peary High School the following year. In the team picture, all the coaches had floppy hair; I guess a sign of the times. Tim was very even-keeled with his players. He motivated us by being fair and level headed. He didn't scream like some coaches but got his point across, nonetheless. Tim encouraged his players with his leadership. *Skip Fitzgerald*
