# A Message from our Pastor

---

Dear Friends,

I thank you for welcoming me as your new Pastor. I am settled and feel very much at home due to your hospitality. The summer weeks afforded me the opportunity to start getting to know the Parish Staff, various groups, and fellow parishioners. I am grateful to Fr. Mike for his advice and answering my many questions about the parish and his 33 years of faithful ministry to all of you.

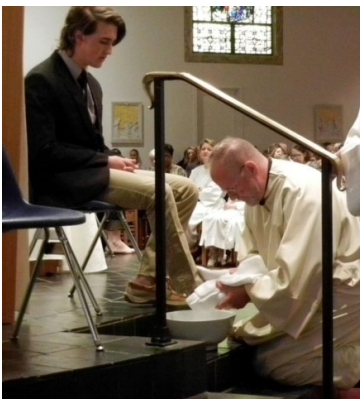

It is with special gratitude that I forward to you our annual parish financial report. This data points to a significant reality - not only the generous spirit of our parish family, but also our stewardship journey through various ministries and outreach programs serving those in need from both a financial perspective and, most importantly, a spiritual one. I encourage you to discover the joy of being part of what the Lord is doing here by making a renewed commitment to your own time, talent and treasure towards St. Michael's.

I express my thanks to the Finance Council, our business manager, Donna Binney, and the Parish Staff for their contributions to this report. Each of these members has been an invaluable source of wise counsel to me as I continue to learn about St. Michael's since I arrived in July. If you have any detailed questions regarding the report as a whole or its data, kindly contact Michael Gallagher (Finance Council Chair) or Donna Binney (Business Manager) by way of our Parish Office.

Be assured of my continued prayers for all of you, especially in thanksgiving for your generosity.

Sincerely in Christ,

Rev. Paul C. Sparklin, Pastor

# Faith Formation

*For we are his handiwork, created in Christ Jesus for the good works that God has prepared in advance, that we should live them” Ephesians 2:10.*

**Faith Formation Leaders | RCIA Catechists and Aids | St. Michael Preschool**

This weekend, Faith Formation begins in person with a home study option. We are beyond ecstatic to have our sacramental preparation and other Faith Formation events be held on campus! Preschool has grown to 62 students in 4 classrooms! Our continued, community diligence to sanitizing and minimizing outside contact is necessary for us to continue holding in person programs, for children, teens, and adults alike!

# Liturgy & Music

*Thus faith comes from what is heard, and what is heard comes through the word of Christ.” Romans 10:17*

**Altar Servers | Eucharistic Ministers/Ushers | Music Ministry | Liturgical Arts | Altar Linens | Historic Chapel Grounds | Pastoral Visitors**

The return to in person Masses brought back the opportunity to receive Communion with the community!

We were blessed to have most liturgical ministers return to serving as soon as they were able, though many have moved or “aged out” of serving. Ushers, cantors, lectors, and extraordinary ministers of Holy Communion were the first to return, allowing our celebrations to begin to “normalize”. We also welcomed back our altar servers and larger music groups (Contemporary Music Ministry and parish choir), while the Band and other cantors returned to regular ministry. This fall we have issued open invitations for all of our

liturgical ministers, with training sessions ongoing. Fulfilling our baptismal call to serve God through serving others in the parish family, we hope to have even more people filling liturgical ministry roles in the months ahead.

# Parish Life / Evangelization

*“Go, therefore, and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always until the end of the age” Matthew 28:19-20.*

**ALPHA | ManAlive | Walking with Purpose | Divorce Care Ministry | Knights of Columbus Prayer Network | Adult Bible Study | Work Camp | Stations of the Cross**

2022 was a year of growth and recovery for many of our parish groups. Thanks to the efforts of our staff and selfless volunteers, we have been able to reintroduce most of our traditional programs in person! Several groups, such as the Divorce Care Ministry, have benefited from being held online and continue to do so. Our staff and volunteers have dedicated their time and energy to keeping the facilities safe, clean, and accessible for all. In true Christian fashion, parishioners and visitors were extremely supportive and understanding in following and adhering to our new health and safety guidelines as we reopened our preschool and other youth programs. This was so successful, our preschool even added a fourth classroom going into the 2023 fiscal year with 62 students enrolled!

While we have resumed most of our in person programs and activities in the past year, we understand the trepidation many still have towards reentering public spaces. Because of this, we continue to livestream our 10:30 Sunday Mass on our YouTube and Facebook accounts along with evening Liturgy of the Hours, while other programs are still offering online attendance options. Contact the program coordinator directly for more information or call the office to learn more about our new guidelines and procedures.

# Stewardship:

*“As each one has received a gift, use it to serve one another as good stewards of God’s varied grace.” 1 Peter 4:10c*

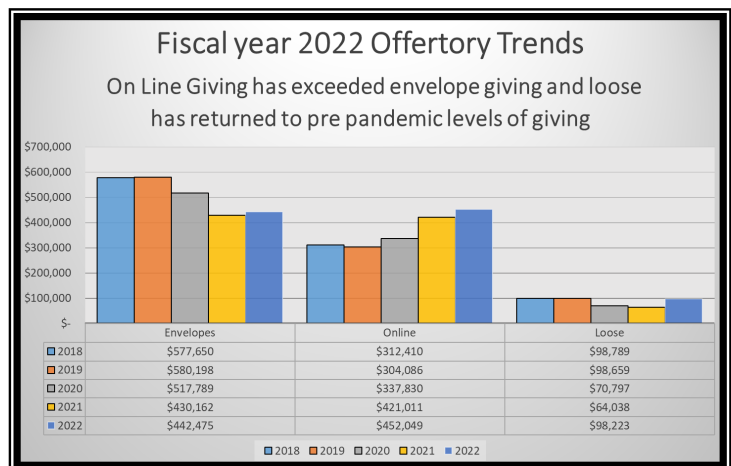

Our parish leadership and finance committees continued to meet each month to review the parish financials, offertory trends, and months of operating cash on hand. We controlled expenses when possible as operating revenue increased.

- Registered households that give increased by only a handful, but gifts have grown by 6.8%
- Registered households that give through envelopes and online giving donate an average of \$29 per week
- Several households are now utilizing charitable trusts and retirement RMD’s in place of offertory donations, approximately \$36,000 was received from 14 donors
- In 2023, the operating plan will rely on a 5.7% increase to the offertory collections

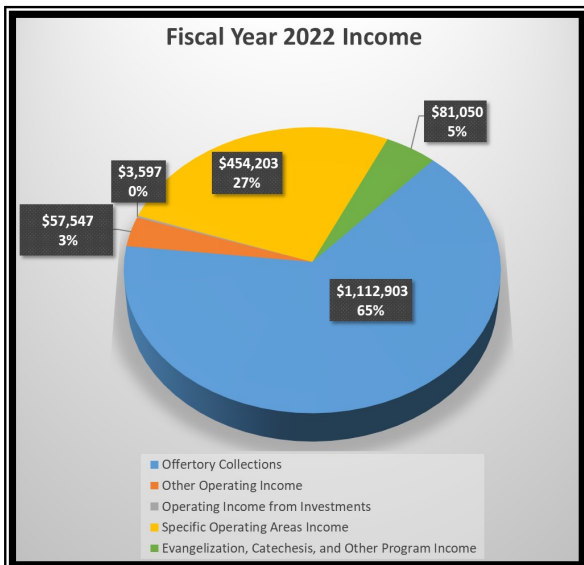

Online giving via GiveCentral has grown to exceed envelope giving, while loose giving has returned to pre-pandemic levels!

Online giving is convenient, safe, and efficient. It provides texting and QR code scanning features for our programs and events.
