

# ***Gifts of Light at St. Michael's Church***

We invite you to participate in the ***Gifts of Light*** program, an annual holiday celebration beginning on November 25, 2023 in the narthex of the church.

Distinctive lights, dedicated in honor of your loved ones, will be illuminated on November 30 and remain lit for all church services throughout the full Christmas Season. You may reflect your love for someone special by dedicating a light to honor a loved one, families, special occasions, or as a memorial. Tax deductible donations of \$10 for a light for 2019, or \$100 for a Life Light which will appear annually, will not only honor that special someone, but will help with the expenses of the St. Michael Parish programs.

Names of the honorees will appear in an album in the narthex of the church. You may also request an acknowledgement card be sent on behalf of the honoree.

Please use the form below and send it with your check to St. Michael Church at 1125 St. Michael's Road, Mt. Airy, 21771 or place it in an envelope marked "Gifts of Light" in the collection basket.
