Hope FOR THE Holidays

**6:30 PM Monday, December 2, 2024
in the Fellowship Hall**

Paul E. Jarzembowski

Best-Selling Author and Global Speaker,
serving on the staff of the United States
Conference of Catholic Bishops in D.C.

*In the midst of holiday craziness, come
rediscover some peace, joy, and hope.*

Recognizing that the holidays can be
challenging with constant stress, family
obligations, gift-giving expectations, and
a general lack of time or energy, the
merriment of the season can feel elusive,
inauthentic, and even burdensome.

While this is the very time of the year
when we celebrate light emerging from
darkness, hope can also seem like the one
thing that is hardest for us to find.

This evening program, at the moment
when Thanksgiving gives way to Advent,
will provide a starting point to renew our
Christian hope for the intense, yet ever
sacred, Christmastime season ahead.
